## UPCOMING ADDITIONS TO THE BARKER

We are trying a couple of new things so members can get more voice in our dog club and get to know each other better. It is not always easy to know what is happening on the other side of the country. A few new things are being added to The Barker in an effort to work on this. We hope you will help us get these off the ground. Thanks in advance for any contributions.

### Bark Back

This column is your chance to let us know what you think. It can basically be about anything Shar-Pei or club related. This column will take up no more than one page in each issue and we hope to have multiple people contributing, so try to keep it short. For example: If you have comments on a previous article – agree or disagree – let us know, but keep it positive. Nothing derogatory or mean spirited will be printed.

### Thank You Notes

Has someone in this dog club done something nice for you lately? Maybe they helped you show a dog when you needed a hand. Maybe they loaned you a leash when yours broke, or helped you think of a dog name or words for an ad. If there is someone you would like to thank, please write it down and send it to us. It can be no more than three sentences, and it must be a positive thank you. The message must include the first and last name of the people that helped you, and all messages must be signed with your first and last name. We hope to get lots of these for our next issue.

### Volunteer Spotlight

In an effort to get to know our volunteers better we are starting a column on spotlighting our volunteers. These are the people that help make our club run smoothly. We want everyone to know who they are so the volunteer spotlight is getting started. We will randomly choose a volunteer or Committee to be in the spotlight, but we need the volunteers help with what to say about them. Of course we will need a photo as

well so you can put a name with the face. The Barker staff is hoping that if you are asked to be in the spotlight that you will help make this a successful column. Please send your thank you notes and Bark Back comments to: Paula Perry: [paulapei@yahoo.com](mailto:paulapei@yahoo.com) or Alice Fix: [alleydoll3@comcast.net](mailto:alleydoll3@comcast.net)

To make sure we do not miss your comments, please put **Barker- Thank You** or **Barker- Bark Back** in the subject line of your email.

## AKC GIVES OK TO ADDING TT TITLES TO REGISTERED NAME

Dear Fellow Members,

It was brought to our attention by a fellow club member that the Temperment Test “TT” title was not being recognized by AKC as a title is included behind your dog’s registered name. The CSPCA Board of Directors made a request to AKC to have it be a recognized title to add to your dog’s name. AKC has honored CSPCA’s request and will start accepting applications on October 1st 2018. If your dog has passed a “TT” test by the American Temperament Test Society you may want to take advantage of this opportunity.

## THE AKC ANNOUNCES URBAN PUBLIC ACCESS TEST

**New York, NY** – The American Kennel Club (AKC®), the world’s largest purebred dog registry and leading advocate for dogs, is proud to announce the AKC Urban Canine Good Citizen Public Access Test (formerly known as AKC Urban CGC).

Urban CGC began in 2015 as a program that was designed to test a dog’s skills in an urban setting. For the purpose of this advanced level of CGC, “Urban” is defined as any city or town setting that provides the dog with exposure to crowds, traffic, noises, smells and other environmental stimuli. Urban CGC dogs are under control in dog-friendly businesses and in the community.

“AKC’s Urban CGC test has always included the items needed for public access testing,” said Mary Burch, Director of the AKC Family Dog program. “Public access tests demonstrate that the handler has good control over the dog and the dog is well-behaved when in public.”

There are ten skills necessary to pass the AKC Urban Canine Good Citizen Public Access Test, including entering/exiting doorways, walking through a crowd, using stairs/elevators, crossing streets and public interaction.

“The Urban CGC test can fill the desire of lodging, retail, and transportation businesses, and managers of public facilities for dog owners to provide evidence that a dog has been trained to behave in public settings,” said Doug Ljungren, Executive VP for Sports & Events. “The repositioning of Urban CGC as a public access test can provide a valuable public service to dog- friendly businesses.”

To earn the Urban CGC title, dogs must have already passed the basic CGC test. The Urban CGC test is open to all dogs that are registered with the AKC or enrolled in the PAL or AKC Canine Partners program.

## AKC DELEGATES MEETING June 12, 2018

Meeting was called to order by President, Dennis Sprung at 10:00 am. Introduction of persons on the dais. New delegates seated since the March, 2018 meeting were introduced.

Minutes of the March, 2018 meeting were approved as printed in the April, 2018 Gazette.

Two new members clubs were voted on: American Soughi Association and the US Neapolitan Mastiff Club and received the required 4/5th majority to be approved.

The report of the Chairman, Ron Menaker was forwarded earlier under a separate email.

President, Dennis Sprung deferred his report to Doug Lundgren. Doug chaired the 'State of the Sport' 2018 Initiative on Sunday.

A look back at the previous year -

- There were 25 different dog sports with over 20,000 events per year; 3.1 million entries and over 400 events each weekend.
- There were 24,000 lost due to the canine flu.
- Conformation entries were down 6% last year. The one millionth CGC award will be handed out this year.
- Performance Events - Hunt, Earth dog, etc. are down 6%.
- While CAT, FAST CAT, Scent Work, are up 100,000 entries.
- Barn Hunt, Dock Diving, Therapy Dogs and Trick Dogs are experiencing an overwhelming amount of interest.
- Trick dog program has enjoyed 18,000 entries since the beginning.
- Support breeding for type and function.
- Family companions, responsible dog ownership; encourage involvement with AKC.
- Retain interest with lifetime of activities with your dog.

Club Development -

- Easier to form new Specialty Clubs
- B Matches - advertise with email blasts
- Emails discussing each show

- Revised Judges Approval Process
- Breeder of Merit - added levels
- Puppy Achievement pilot program for 6-12 month entrants - will launch in September
- Junior Versatility Program - encouraged to try at least three different sports
- Allow FSS breeds to be shown by Juniors
- Welcoming new owners with first dog and first time dog shown.
- Promote specialty clubs for low entry breeds.

We Need to Tell Our Story -

- AKC TV
- Face Book
- Instagram
- All social media
- Dog Museum - move to NY City

The Board to vote on the program to allow one-point be awarded to the Best of Winners when there is one dog and one bitch entered. Referred to as 1 + 1 = 1. This idea is endorsed by the fancy.

AB Event Analysis - Study the number of shows with needs of participants and events in response to the statement that there are too many shows. There are areas where there are too many shows too close together on one weekend while some areas do not have enough. Specialty clubs should explore opportunities to greater utilize specialty shows at AB events to grow entries. AB shows may want to explore opportunities to greater utilize multi-sport events that will also attract new dog owners.

Email blasts for Specialty Clubs was launched January, 2018. Clubs are encouraged to customize their message.

Doug Lundgren closed with a few additional messages -

- The Challenge of Change
- Building a Diversified Portfolio
- A Lifetime of Activities

The fancy is united in having our dogs succeed and are Mission Driven. COO -  
Joe Buffoto - Financial Report

## FOREVER HOMES NEEDED

The CSPCA and its members sincerely appreciate the work provided by these fine affiliated rescue groups. Contact a wonderful volunteer at the email listed below for additional information. Make a web visit! While you are there consider making a donation to help these beautiful Shar-Pei!

### Horsecoat, Female, NY

Penny is a 1 year old Isabella brushcoat female. Very sweet, housebroken, gets along well with other dogs including small dogs. She gets along with kids. She does have a pretty big overbite but doesn't seem to bother her. She just wants to love you and have you love her. Contact: NASPR, <http://www.sharpeirescue.com>; E-mail: [sharpeirescue@prodigy.net](mailto:sharpeirescue@prodigy.net)

### Senior, Brushcoat, Male, Lake Forest, CA

Wilbur is a senior male Shar Pei that was found as a stray but his owners never reclaimed him. He is a typical senior with some arthritis and is slow moving. He is friendly and good with other dogs and rides well in the car. He does have entropion (eyelid rolling) and we are discussing with our vet, based on his age, whether surgical correction or managing with eye ointment is best for him. We are working on improving his coat with high quality food and supplements. Wilbur is vaccinated, microchipped and will be neutered prior to adoption (unless our vet feels that it is unsafe). We will have bloodwork available for Wilbur for any adopter. He is 62 pounds. Contact:

Pei People [www.peipeople.com](http://www.peipeople.com); Email: [adopt@peipeople.com](mailto:adopt@peipeople.com)

### Senior. Brushcoat, Male

9 year old male Zilla, short for Godzilla, was surrendered when his owner died. Arrived in rescue on 6/20/2018. More information is available by contacting Shar-Pei Savers; <http://www.sharpeisavers.com> ; 414-534-5692; [KBaily@wi.rr.com](mailto:KBaily@wi.rr.com)

### Young, Horsecoat, Male, Lancaster, PA

Richard, approximately one year old, was found as a stray and taken to a shelter, making his way to Operation Scarlet from there. He is a handsome fawn horse coat, with classic Shar-Pei looks. Richard is trying to figure things out and settle into the routine at Operation Scarlet. He's also trying to figure out why he is at the rescue and is most anxious to find a loving home. He needs a loving home environment for him to be the dog he wants and needs to be. To that, Richard says, "The sooner the better!". Contact Operation Scarlet; <http://www.operationscarlet.com> 717-397-6362, [opscarlet@verizon.net](mailto:opscarlet@verizon.net)

~~~~~

All of our local rescue groups can use donations of time or cash. You can find a list of all of our affiliated rescues on our website: <http://www.cspca.com/pdfs/rescuegroups.pdf> A contribution of just \$5 can buy cleaning supplies, paper towels, antibiotic ointment or many other things. You may not be able to foster a dog, but transporters are always needed. Your monetary contributions can make a big difference in the lives of the dogs that find themselves in rescue. Thanks for considering helping in any way you can.

## Call for Nominations - CSPCA Valued Member Award

The CSPCA Valued Member Award - The purpose of this award is to increase the recognition of the many important contributions made by CSPCA members to our Club and breed. The CSPCA is a large and diverse organization with no paid employees. Therefore, the efforts of our volunteers are directly responsible for the success of our club and its programs. We believe it is an honor to be able to reward a CSPCA member for distinguished service.

You can nominate a CSPCA member as YOUR Most Valued Member choice. This award is NOT just something to be passed around amongst friends, in fact we hope that you do NOT do this. Instead, it is for that unsung hero who works for the CSPCA with their heart and soul, who has contributed their time, energy and efforts to the Club, our CSPCA, because of their love for the Breed and the Club which fosters it. It is for a person who is one of those folks who so often works very hard behind the scenes, not asking for or expecting recognition but working because they care, because it is just what they DO. It is for a person who is not just a member of the CSPCA, but who makes a truly valuable contribution to the CSPCA - thus a Most Valued Member award. We want to let these unsung heroes KNOW that we see what they give to the CSPCA and our breed and that we honestly appreciate it.

If you know of someone who deserves this award and has not received it yet, please consider nominating them. Any member in good standing can nominate another member in good standing for the valued member award, except sitting board members are ineligible to receive this award\*. We need a brief write up of why you think the person should get the award, along with their name and your name. Include the things they have done for the club that make them a Valued Member in your write up. The board will take all the nominations and select one winner each quarter. **The deadline for nominations is September 15.** All nominations should be sent to Cathi DiGiacomo at [cathi1947@comcast.net](mailto:cathi1947@comcast.net). If the person that you nominated wins, you will be notified and will need to get a high - resolution photo for printing in The Barker. All winners will be announced in The Barker and presented with a plaque at the CSPCA Awards Program the following year.

If you miss this deadline, the next deadline will be December 15, 2018.

Alphabetical Order of People that have won the award and therefore are ineligible to be nominated again.
