Equipment Manager/Chairman

The CSPCA has a significant amount of equipment that we use at our National Specialty Show. We are looking for a volunteer to be the Equipment Manager or Chairman. The job would include:

- Compile a master list of all CSPCA equipment
- Keep track of who has what equipment.
- Arrange for people to transport the items to Nationals each year.
- Arrange for people to take the different items home for storage until the next year.
-

It is not expected that the Chairman will provide the transportation him or herself, but that they will make sure someone brings the necessary equipment each year. We need someone with great organizational skills to take on this project and committee. How about volunteering to help someone else do the job? Terry Faulkner has volunteered to track down and inventory all the equipment this year. Or if you would like to be an assistant in training, you can do that too. If you have skills to do this, please contact the CSPCA Secretary to let her know of your interest. Jocelyn Barker- cspcasecretary@gmail.com
