Newsletter for the Chinese Shar-Pei Club of America

The CSPCA is publishing a bi-monthly newsletter. The Barker has moved to quarterly publication and the CSPCA Express was instituted to provide members with timely information and announcements. The newsletter also allows applicants to move to full membership and gain privileges in a shorter time period.

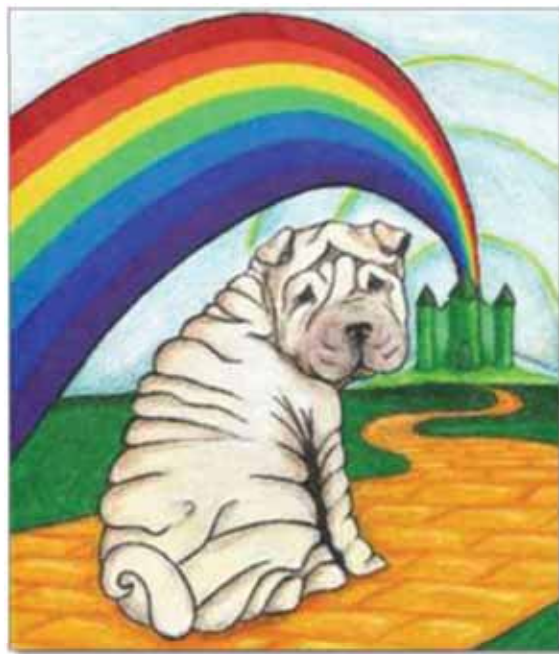

The CSPCA Express is a work in progress – we welcome your feedback.

Please contact Melissa Castillo ([ftpei@yahoo.com](mailto:ftpei@yahoo.com)) with any comment or concern.

### **Traveling and Rabies Certificate Notice**

One of the topics discussed at the AKC Legislative Caucus before the June, 2014 Delegate's meeting was that it is imperative when traveling with your dog, you carry a copy of its rabies certificate. Some states have a law that if you are pulled over or are at a rest stop and an officer asks to see the dog's certificate, you must present it, otherwise they can confiscate your dog. The dog doesn't have to be wearing the tag, they just need to see a copy of the certificate. Don't be caught without one.

CSPCA, Delegate

## Raffle/Auction Reminder

The National Show Committee hopes that everyone will remember to collect and bring those special items for our auction and raffle. Please start thinking about what you want bring to donate to the effort. This fundraiser means the world to our charities (Rescue, Charitable Trust, & Veterans). Let's keep Beverly Wall's annual program giving back to our dogs. Once again, we will have the State Basket Challenge – woo-hoo, please consider stepping up and building your state's representation! Last year's baskets were AWESOME! The Silent Auction of "State's Baskets" will be held in conjunction with the **National Club Banquet on Thursday, October 9<sup>th</sup>**. Clubs or individuals may band together and build, or individuals are welcome to create their State's Basket – more than one basket per state is fine. Some states are too large for just one basket. Please post your Basket intentions to the list and Facebook page!

Plan on attending the banquet and take part in this fun-spirited fundraiser. For Raffle donations – please bring your item to the show area and give it to Bonnie Berney, Don Gillette or Holly Fuller. They will make sure we get the items to the locked storage area, until they are up for raffle. The raffle will be held at the "Club Sales Table" this year. Look for outstanding items to be raffled each day. If you would like to ship an item for the raffle please contact one of the organizers or ship to Grace Fritz; 18135 Mission Rd Stillwell, KS 66085-9112

Thank you for your continued support making this a successful fundraiser every year for our dogs.

For more information – contact Bonnie Berney [bonnie@shenteenerprises.com](mailto:bonnie@shenteenerprises.com) or Holly Fuller [hafu2112@yahoo.com](mailto:hafu2112@yahoo.com)

## Election Ballot Reminder

The election ballots will be going out to the voters that were members in good standing and eligible to vote on June 1, 2014. You will not only be asked to vote on the Officers and Directors, but also on whether you would like the Shar-Pei to become a ramp mandatory breed. The ramp Ballot will be on the back side of the election ballot and clearly marked to see the other side of the page. The ballots will be on colored paper. Currently it is the judge's option as to whether a ramp is used or not. If the vote passes we will ask AKC if they will designate us as a mandatory ramp breed. It will be up to AKC as to whether they allow us to do that or not. If AKC approves then we will always have a ramp in the ring and our dogs will be examined on the ramp. If the vote does not pass, then nothing will change; sometimes we will have a ramp and other times we will not.

Three surveys will also be enclosed in the envelope, all printed on white paper. The surveys are about Nationals, the ramp and the standard. The surveys are clearly marked that they will go to a different address than the ballots. The surveys will all be sent to Jocelyn Barker and she will distribute them to the proper tellers. Jocelyn's mailing address is clearly printed on all the surveys.

Don't forget that the ballots must be received by the tellers by August 31.

Boudreaux is timid and reserved. He is ok with male and female dogs. He is crate trained and house broken. He loves his crate - his personal safe haven. Once he warms up to you, he will seek you out for attention. He really likes to be around people and not be alone. He would not do well in a home where he is left alone much. He tends to cry and whine for you to be with him, but as long as he can see you, he is fine. If this special boy warms your heart, contact Debby Smith, [sharpei Rescue@prodigy.net](mailto:sharpei Rescue@prodigy.net)

Bear misses his family but since coming into NASPR's care, we are doing our best to assure him there is a wonderful family out there who will welcome him home. Bear's Dad is in the military and when deployed overseas, he was surrendered to a North Texas Animal Shelter who contacted NASPR. Bear is neutered, up-to-date on his shots, HW negative. He was raised indoors, crate trained, good with children. He gets along well with other dogs and loves everyone he meets. If there is room in your heart and home, Bear is ready. Contact Debby Smith, [sharpei Rescue@prodigy.net](mailto:sharpei Rescue@prodigy.net)

Mimi is about 5 years old and is looking for her forever home. She is only about 38 pounds and is your typical alpha female...gets along in doggie day care, but likes to be top dog at home. She is in the Southern California area and is available for adoption (or foster) [atwww.Peipeople.com](http://www.Peipeople.com)

Barney is a 4 year old male lilac shar pei. He is only about 38 pounds (small!). We believe he is good with other dogs - seems good with big ones, not sure about smaller dogs. Barney needs a strong owner that will be the alpha and give Barney security (otherwise Barney will take charge and wants to protect his person). Barney is neutered, microchipped and up to date on vaccines. He is currently in Southern California and looking for a new home!

This is Sasha and she has just been rescued from doggy jail. Sasha is a petite girl and very sweet, however, she does have a very strong alpha personality so is best as an only dog. If you are looking for a great companion, Sasha might be the one for you.

Beautiful 2 year old Belle, grew up in a loving home, well cared for and adored. Her owner passed away and neighbors tried to take care of her, as best they could. Eventually, they surrendered her to animal control, who contacted NASPR for help. Miss Belle is hoping to once again be the adored in her family' s home. Contact Debby Smith, [sharpeirescue@prodigy.net](mailto:sharpeirescue@prodigy.net)

I'm Tucker, a sweet male Pei rescued from a Virginia shelter. I am very mellow and love to give kisses. My Foster Mommy says that I am precious. I was quite neglected before being rescued and was both heartworm and lyme disease positive. The rescue got me the veterinary care that I needed, and I am all better and ready to go to a "furever" home! I would do great with a family that has kids, and I do well with other dogs. Foster Mommy says that I am absolutely lovely and any family would be lucky to have me! To learn more about me, see more pictures, or fill out an application, please check out my profile [www.sharpeirescueofva.org](http://www.sharpeirescueofva.org) You can also call 609-494-0020 or email [info@sharpeirescueofva.org](mailto:info@sharpeirescueofva.org) for more information.

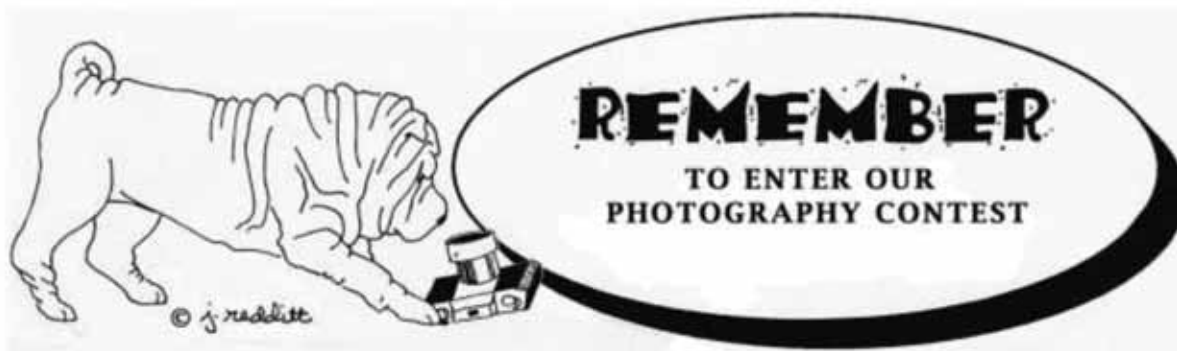

Introducing Jacks, happy energetic boy, who came into rescue a bit frightened and untrusting. Now, Jacks realizes the NASPR Shelter volunteers are there to "see" him, feed him and play with him!! Gone is the reserve scared boy and now, there' s lots of tail wagging and bouncing! Jacks would love a family all to himself, he will be their star. He enjoys toys, walks, ear rubs and running in the play yard. Yes, as you can see, he smiles!! Jacks is about 18 months to 2 years old, neutered, up-to-date on shots, HW negative and ready to go. If you' re the family for Jacks, email Debby Smith, [sharpeirescue@prodigy.net](mailto:sharpeirescue@prodigy.net)

## A FEW MORE WORDS ON THE RAMP

As some of the membership may recall at the 2011 national specialty in Pennsylvania the subject of making the Shar-Pei a ramp mandatory was addressed during the general membership meeting. During that meeting an informal show of hands of those present at the meeting indicated strong favor among exhibitors to use the ramp. A few objected to the use of the ramp. The pros and cons discussed were previously published in the Barker. Early in 2012 a ballot was sent to the membership asking if they wanted the Board of Directors to pursue making the Shar-Pei a ramp mandatory breed within AKC. The Judges Education Chairperson Cate Stewart also requested emails be sent to her giving members a chance to express their opinion on the use of the ramp. Again an overwhelming number of emails received (total of 24) favored the use of the ramp. 21 emails favored the use of the ramp. 3 emails from exhibitors did not favor the ramp.

The results of this ballot surprisingly indicated the membership who voted did not want the Board of Directors to move forward with the steps to require the Shar-Pei be a ramp mandatory breed. At that time it was discussed that this issue be re-addressed at a later date.

The mandatory use of the ramp is again being discussed with the Board of Directors and they feel it may be time to send out another ballot.

I would like to encourage *exhibitors* to place their vote. In my experience and in talking with other exhibitors I still find the majority of people favor the use of the ramp. Per our bylaws when a ballot is issued all members (excluding associate membership) in good standing can vote. It is my hope we can get a clear picture of what *exhibitors* desire with regards to the Shar-Pei being a ramp mandatory breed.

When speaking with other exhibitors and some judges who favor the use of the ramp the most common reasons in my experience are:

- The Shar-Pei feels more confident when on the ramp
- Due to the limited peripheral vision the dog can better see a judge approaching them
- It makes it less likely the judge will approach the dog from the top of the head and startle the dog
- It is easier to stack a dog while on the ramp than to have to bend down to stack
- It is easier for the judge to examine the dog at ramp level

When speaking with other exhibitors and some judges who do not favor the use of the ramp the most common reasons in my experience are:

- It is more difficult for shorter people to stack on a ramp
- The Shar-Pei should feel confident standing on the ground
- Not everyone has availability of a ramp for practice or at a show

Submitted by Cate Stewart  
Judges Education Chairperson for the CSPCA  
04 June 2014

*Editor's Note: All club members who were eligible to vote in our club elections on June 1, 2014 will be receiving a ballot on whether you would like to see the Shar-Pei be a mandatory ramp breed or not. This ballot will be at the bottom of a Survey about the ramp. This and other surveys will be included in the same envelope with the election ballot, so be sure to watch for it.*

**WALL OF RESCUE****Calling for Entries for the Wall of Rescue**

It's time again to gather stories for the "Wall Of Rescues" for Nationals. If you have adopted a dog, be it from a Shar-Pei Rescue, an All Breed Rescue or Animal Control I would like to put your story and a picture of your dog on the "Wall". The stories and photos will also be included on the CSPCA website after Nationals.

**Guidelines for adopter's stories:**

Tell about your dog/dogs you adopted. How they have enriched your life, funny antidotes, etc. (It can be in memory of a Shar-Pei or those you have now.) Please include your name, you may do first name only if you wish, name of your dog/dogs, and the name of the rescue or AC.

Please limit your words to 250 or less per dog. I know, we could all write a book about these wonderful family members! I would appreciate 3 x 5 pictures, 5 x 7 the largest. To get them to fit the "frames" I make, those sizes are best so I don't need to resize all the pictures. I also retype many of the stories to get them to fit. As you will see on the attached panel, I sometimes cut the dogs out of the picture and use them that way. Making the "Wall" is very time intensive, ( at least for me) so please send the stories as soon as possible.

The cut-off date for stories and pictures is July 15, 2014.

Address for snail mail: **Jane Wake, GA Shar-Pei Rescue, 4283 Parish Trace, Marietta, GA 30066**

If mailing, please include your e-mail address or phone number. I will use the following e-mail address to keep them out of my daily e-mails, so I don't miss any of your great stories: [SharPeiRes01@aol.com](mailto:SharPeiRes01@aol.com)

Thanks for participating.

Janie
