I understand that becoming a CSPCA approved Judges' Education Mentor; I am willing to mentor judges or prospective judges, as well as participate in and or present and provide only the CSPCA approved Judges' Education Program materials. I agree to only mentor using the AKC approved standard for the Chinese Shar-Pei without bias or discussion of individual dogs, kennels, persons, coat or color preference, specific blood lines or personal wins.

Judges will be randomly surveyed on their experience with a mentor(s) and individuals may be removed from the mentor list should the mentor express bias or disparage any individuals or specific dogs. Mentors will also be removed for self promotion or act in a manner that is detrimental to the CSPCA Judges' Education Program.

Is there any other experience or ability that you possess that would be an asset to the Judges' Education Program? \_\_\_\_\_

I understand that even though all requirements to be a mentor may be met by an applicant, it does not guarantee a position as a CSPCA mentor. Other factors are taken into consideration primarily the actual need for additional mentors and the location of the applicant.
