Your dog can be added to the list as soon as he/she reaches 10 years of age.

If your dog is already on the list, but is now deceased, please advise me of the date of death, so that I can make the necessary changes to the certificate number reflecting the number of months he/she lived.

The "L" at the end of the Certificate # indicates the dog is living. The "D" at the end of the Certificate # indicates that the dog is deceased.
