Message from the President

I am thankful for our great board of directors who work so hard together to keep things positive for the membership and to treat every member fairly and equally. When you take a position on the CSPCA board it quickly consumes every moment of your time, sometimes extending late into the night when trying to make the right decision, whether or not it will immediately be popular. The CSPCA has been very lucky over the years to attract folks to serve on the Board who truly care about the club. The board of directors of this club, at present, is made up of some of the finest and most professional people I have ever worked with. They weigh every decision thoroughly; each one truly makes his/her own decisions. Each member has always shown respect for the opinions of any who disagree. The benefit to and concerns of the membership are the primary emphasis, often reminding one another this is what we were elected to do for the benefit of the dogs. I am repeatedly most impressed with their commitment to the principle that the rules apply to everyone equally no matter who they are, what position they might hold or how much money is in their pockets with no exception. I need to share this with you because I feel strongly that you should know about the pride and respect I hold for these people and how much time and effort they put into keeping this club moving forward. Sometimes the correct discussion is not always the popular one but the one that this board and I can live with in the future.

Nationals Seminar

Dr. Vidt has been asked to give a seminar at Nationals. He can do a seminar on dermatology, inflammatory bowel disease, interesting cases or whatever people might be interested in. We would like some feedback about what topic membership would have interest in.

Dr. Tintle is doing a seminar on Monday evening with the updates on the Shar-Pei Fever research.

Shar-Pei Rescue of Virginia

Hi, I'm Iris, a young blue flowered female Shar-Pei. I'm a very sweet, friendly and happy girl and am good with male dogs. I'm bossy with other female dogs so would do better with a male friend. I am already housetrained, ride well in the car, and eat well. I am energetic and would like a place to run or someone to run with me. If you are looking for a gorgeous and sweet girl to share your life with, well then, look no further! I am the girl for you!

Princess Di had to be surrendered to rescue after her owner, an 83 year old man, was unable to care for her. Volunteer Angel went out of her way to pick up Princess Di and to provide much needed help to her elderly human dad. Princess Di was picked up Sunday by a new foster family and will be getting good food and lots of exercise on their 5 acre farm. Princess Di is an 8 year old cream brush coat with no medical issues. She is ready for her new forever home.
