## CSPCA EXPRESS - JULY 2013 Newsletter for the Chinese Shar-Pei Club of America

The CSPCA is publishing a bi-monthly newsletter. The Barker has moved to quarterly publication and the CSPCA Express was instituted to provide members with timely information and announcements. The newsletter also allows applicants to move to full membership and gain privileges in a shorter time period.

The CSPCA Express is a work in progress – we welcome your feedback.

Please contact Melissa Castillo ([ftpei@yahoo.com](mailto:ftpei@yahoo.com)) with any comment or concern.

## CHAMPIONS OF THE HEART RESCUE PARADE

Please join us in celebrating our rescue "Champions of the Heart" parade at our National Specialty. If you or someone you know is in the area with a rescue Shar Pei (purebreds only please) on **Wednesday September 25<sup>th</sup>** we ask that you join in our salute to our rescue dogs and owners. This is a very special thing we can do to honor those dogs that were given a second chance.

In order for us to make this happen we need two things: 1. Rescue dogs and owners/fosters and 2. the support of YOU. Many of you don't like to come because of the sad stories and the situations many of these dogs came from. Instead of focusing on that, choose to look at what these dogs have overcome and see how they have blossomed in their new homes. Some have become therapy dogs, some have gone on to obedience and agility careers, some are just loved by their families and some get to know love for the first times in their lives. I'm very proud to be a part of that, aren't you?

I know that many of you do come to the parade and have supported it over the years by coming to watch and clap for those entered. Please continue to do so and bring your friends. Many of you sitting out there in the audience have given your time and help and money to rescue, maybe you should see where some of that has ended up and see some of the dogs that have benefited from your help.

What I need for this to happen this year is participation. I've been very discouraged the last couple of years b/c I get the impression that nobody cares. We've become a society of "what's in it for me? or it's all about me". Please cross post this as widely as possible to get the word out. I realize that the timing is not optimal for people who are working, but feel that with enough advance notice, some might choose to come and participate. I took the best time offered that didn't seem to clash with any other of the many things going on at Nationals. **The parade will be held one half hour (1/2 hour) after the end of judging.**

I would like to get a head count of those coming prior to the day, so that I can get thank you gifts ready for those that choose to participate. **If I can get a general head count by Sept 10th, that would be sufficient to know if we are going to have this tradition remain.**

Please send me your questions/comments privately so as not to clog up the lists and please crosspost to any other lists you are on. Thank you. I can be reached at [chcsp@bright.net](mailto:chcsp@bright.net) or [ljbrown1063@embarqmail.com](mailto:ljbrown1063@embarqmail.com)

The CSPCA and its members sincerely appreciate the work provided by these fine affiliated rescue groups. Contact a wonderful volunteer at the email listed below for additional information.

**Make a web visit! While you are there consider making a donation to help these beautiful babies!**

LiLi is a puppy mill survivor, one of 7 pulled from an Ohio puppy mill. She will be happy with one or two companions. She is very sweet and has attended a shy dog class as well as manners class.

This is Pink. She was an owner surrender because they didn't have time for her. She is a young playful pup ready to go to her furever home.

I'm Sammy and yes, I'm blind. You see, I came to the shelter with a painful condition that required the removal of both of my eyes. I have adapted to my sightless world just fine. I'm a very good boy that loves car rides, hanging with my people, respectful dogs, and have even been known to share my bed with the kitties. I'm seeking a home with children 12+ that will keep me safe, happy and not rearrange the living room furniture too often! I'm only 7 years young.

To learn more about Sammy contact Angela @ 503-807-9134.

Capone is an 8 year old fawn horsecoat male. He is wonderful with people and always happy and generous with kisses. He would do best as an only dog in the household. He is great on a leash - isn't great with other dogs, but passes by them nicely without incident. Capone would love a wonderful home to spend his golden years.

email: [info@peipeople.com](mailto:info@peipeople.com)

Holly is estimated at 5 years old and is a black horsecoat. She had a hernia that has been fixed and needs to be spayed, microchipped and up to date on vaccines. She is very tentative but affectionate. The vet believes, due to some missing teeth and scaring that she may have been used as a bait dog - she deserves a happy and comfortable life now. Surprisingly she is good with other dogs - even small ones! She is house trained and does love a good nap on the couch. [info@peipeople.com](mailto:info@peipeople.com)

To the Members of the CSPCA,

The Chinese Shar-Pei Club of America Board of Directors would like to inform you that we have a brand new email group on yahoo for communicating your questions, comments etc to the board of the CSPCA. There has been an email list we have used in the past but that belonged to a club member and we feel that a list connected to the CSPCA should be owned by the CSPCA. The board will no longer be participating on the old list but would be happy to hear from you on the new list. We use the email list to post notices and to share information that our club members might need to know quickly.

Only Members in Good Standing with the CSPCA will be eligible to participate on this list. We will be asking for volunteers to be moderators from our members. Be sure and look for that notice.

#### Forums:

We want to remind you about the other form of membership communication which is through our forums. To get to the forums, you will need to go to the CSPCA website: [www.cspca.com](http://www.cspca.com). You will see the log in on the home page next to the shop button. Your user name is your email address we have on file for you and your password is sharpei. Once you get into the Member's Only area of the web site, we recommend that you change your user name and password because the generic password will be eliminated shortly. After that happens contact the Membership Chairman to get a new password: [Bob@cspca.com](mailto:Bob@cspca.com)

We have also made it easy to contact all the board members in an email. You need to go to our web site, then click on CSPCA Club Info button. Then click on the Board button. At the bottom of the page listing all the board members is a link that says: To contact all of the board members in a preaddressed email, [click here](#).

If you click the [click here](#) button it will open a preaddressed email to all board members. Just add your message and send.

#### **Have you moved?**

Have you moved and forgotten to tell the membership chairman? If you have had a change of address and forgotten to tell our Membership Secretary, now is the time to correct that. To contact him send an email to: [Bob@cspca.com](mailto:Bob@cspca.com).

Election ballots go out in July. In order to get your ballot as promptly as possible we must have your current address. While you are at it, if you have a new phone number or email address, please let him know that as well. The valid voting list must be generated on June 1, so send your address correction by that date to avoid any delay in getting your ballot.

We would like to take this opportunity to thank you again for your membership in our club and are looking forward to hearing your ideas on our new email list, in our forums or by private email.

The CSPCA Board of Directors

Yes we have another name, but we are under the same management company and ownership. We have actually been in the process of the name change since the beginning of the year; but we could not disclose that information to the public or clients until Carlson was informed. That didn't happen until a month ago, so we all had to keep our mouths shut until then. Other than that, we are still the same sales team, different DOS though and higher standards are able to be implemented without the brands approval. We were docked points because our room amenities were higher in standard than that of the Park Inn class of hotels.
