

# 2019 CSPCA Awards Program

**October 23, 2019**  
**Erie Bayfront Convention Center**  
**Erie, PA**

# **Chinese Shar-Pei Club of America, Inc.**

*Founded in 1974*

The CSPCA Awards Program was established by the club in order to recognize those dogs that excel in events and represent the best attributes of our breed in a positive manner, as well as the people that have made positive contributions to the club and breed. You must be a member of the CSPCA to qualify for these awards. The only exception is the Canine Distinguished Service Award, and any dog is eligible to be nominated by a CSPCA member or CSPCA Affiliated club for that award.

# **This National Specialty is Dedicated to Madeline Albright**

*July 15, 1917 – June 26, 2019*

Madeline

Albright

Madeline and her husband Ernest imported some of the first Shar-Pei from China to our country. They were both Founding Members of the CSPCA. It was through their efforts to organize all the Shar-Pei owners in the country. That was the beginning of the CSPCA.

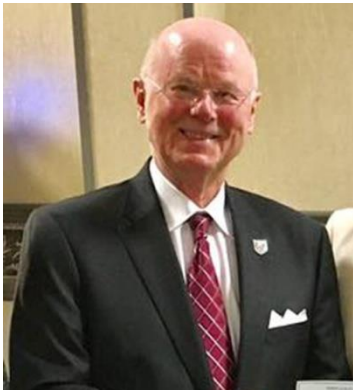

The club began with meetings in the Albrights living room. It continued with the countless volunteer hours they both devoted to get the club going and see that it continued to grow. They both sacrificed much of their free time by doing CSPCA club business. We are all gathered at this awards program due to their efforts.

Many hope that when they leave this world it will be better off than when they found it. Job well done Madeline! You certainly did that and we thank you.

# CSPCA Goodwill Gift to Erie

In 2015, it was suggested to the Board that we do something that would leave more than a positive economic impact on the community where we hold our national specialty shows. She suggested that we should contribute something to the community that would make the community glad that we came there and something that made a difference by our having been there. The Board approved and since that year we always leave a Goodwill gift to benefit the city and citizens of the city where our specialty show is held.

In 2019, we will make a monetary donation of \$400 to the Pennsylvania Animal Response Team to benefit their Erie County Animal Response Team. Since the 501(c)3 designation is held at the state level, the donation is official made to Pennsylvania Animal Response Team.

Ed Kraus, the Director of Development for the Pennsylvania Animal Response Team, will attend the awards banquet to accept the donation. Our donation will be used for animal safety during disasters. This could include rescue, shelter, food and much more.

If anyone would like to make a personal donation to the PA Animal Response Team you may do so by going to this link; <https://www.pasart.us/Pages/Content.aspx?id=82>

# Pei Buddies Slide Show
