### NATIONALS WIN PHOTOS

If you haven't purchased your photos from Nationals 2024, you still can. They are still up for viewing on the photographer, Teddy Lei's website: <https://teddylei.shootproof.com/>

Reminder about win photos at Nationals.....If you win your class at Nationals and do not get a photo made, we cannot include any photo with your win when we record the National results in The Barker. It is impossible to include a non-existent photo. Many members that cannot come to Nationals for various reasons love to see the photos of the winners in The Barker. All win photos are turned over to the Barker staff for inclusion in the National's issue. That is why it is necessary to have the photo taken regardless of whether you buy it or not.

## SCROLL OF HONOR REMINDER

The CSPCA established the Scroll of Honor as a way to give a final recognition to our beloved pets that have passed away during the year. Our dogs are such good companions and so loyal to their families. They become a member of the family and their absence leaves a big blank space in our hearts. This scroll is a good way to let everyone know about what a good companion you had, regardless of whether it was a show dog, performance dog, rescue dog or a pet.

Each year, January 1, December 31, the names of the dogs that passed that year can be submitted. Any CSPCA member can submit the name of a dog that they owned to be recognized. The listing should include the name of the dog, call name of the dog, date of birth and death. There is no charge for this service. If there is more than one owner, permission for inclusion must be given by all parties. A list of the names will be composed by the Chairman and listed in the Spring Barker.

Send your information to Diana Sprain and she will acknowledge receipt of the information. Don't miss this opportunity to pay a final tribute to your wonderful and beloved dog.

Diana Sprain, Chairman - [dianasprain@yahoo.com](mailto:dianasprain@yahoo.com)

**Deadline for submission is March 31, 2025**

## Call For Nominations for CSPCA Valued Member Award

**Deadline June 15, 2025**

Chairman: Marilyn Braunstein - [sushimom@aol.com](mailto:sushimom@aol.com)

The **CSPCA Valued Member Award** - The purpose of this award is to increase the recognition of the many important contributions made by CSPCA members to our Club and breed. The CSPCA is a large and diverse organization with no paid employees. Therefore, the efforts of our volunteers are directly responsible for the success of our club and its programs. I believe it is an honor to be able to reward a CSPCA member for distinguished service.

Now it is your opportunity to follow suit and nominate another CSPCA member as YOUR Most Valued Member choice. This award is NOT just something to be passed around amongst friends, in fact is actually our hope that you do NOT do this. Instead, it is for that unsung hero who works for the CSPCA with their heart and soul, who has contributed their time, energy and efforts to the Club, our CSPCA, because of their love for the Breed and the Club which fosters it. It is for a person who is one of those folks who so often works very hard behind the scenes, not asking for or expecting recognition but working because they care, because it is just what they DO. It is for a person who is not just a member of the CSPCA, but who makes a truly valuable contribution to the CSPCA - thus a Most Valued Member award. We want to let these unsung heroes KNOW that we see what they give to the CSPCA and our breed and that we honestly appreciate it.

If you know of someone who deserves this award and has not received it yet, please consider nominating them. Any member in good standing can nominate another member in good standing for the Valued Member Award, except sitting board members are ineligible. **We need a brief write up of why you think the person should get the award, along with their name and your name. Include the things they have done for the club that make them a Valued Member in your write up.** The board will take all the nominations and select one winner each quarter. **The deadline for nominations is June 15.** All nominations should be sent to Marilyn Braunstein at [sushimom@aol.com](mailto:sushimom@aol.com). If the person that you nominated wins, you will be notified and will need to get a high - resolution photo for printing in The Barker. All winners will be announced in The Barker and with a plaque at the CSPCA Awards Program the following year.

This award has been changed to just being presented once a year at the Awards Program held at Nationals.

## UPDATE: COLORADO STATE UNIVERSITY SPAID CHEEK SWAB TESTS

I have been in contact with the doctor heading the research program at CSU regarding the SPAID swab samples that were sent summer/fall of 2023 after the contaminated batch was re-routed from the initial batch to Sweden University. I know several members had sent in samples and had lost hope of ever getting those results, myself included. I have a wonderful update for everyone!! I have spoken to the leader of that department and they have had several hurdles, but are finally getting all of the bugs worked out of the system. I have expressed the frustration of lack of communication along the process on others behalf. The large disconnect was that they were under the understanding that the samples were sent in for purely research purposes, not that people were wanting these results in a timely fashion. She apologized and assured me that none of the samples have been forgotten or passed over. Everyone should be receiving their results via email in approximately 6 weeks.

In addition to this exciting news, they will also be accepting cheek swab submissions for both SPAID variants (CNV and MTBP), POAG and PLL in the summer. We spoke in depth about the expectations and process of this test. You will be able to order the test via their website, a swab kit will be sent to your address, you will send in the sample and the results will be emailed to you in a 4-6 week turnaround time. They are still finalizing the price and packages that will be offered. When I get further information about pricing and bundles I will reply here to keep the thread clean.

As I stated in the CHIC update, POAG/PLL are required test for the Chinese Shar Pei CHIC and SPAID is an "Optional But Recommended" test. Keep in mind, the terminology "optional but recommended" is not our choosing, that is what OFA and AKC have chosen for not required testing. Now, OFA has registries for both the CNV and MTBP variants so owners will hopefully register the results with OFA. The motive with this is to allow us to pull reports, see the true standings of these tests across our breed and gather data to be able to cross reference with other scientific research in hopes of one day coming to a conclusion with these tests. To certify and register your SPAID results with OFA you need to fill out the "DNA Based Genetic Disease" application found on OFA's website and submit it with a copy of your dog's SPAID results.

If anyone has a dog's test results that they are wanting on an expedited timeline from Colorado State University please reach out to me directly as we may be able to get a small list released sooner. If you can wait the 6 weeks, please do so to not slow down the process for others unnecessarily.

Thank you!

## **Volunteers For Members for Procurement Committee**

Jeanne Hill-Jurik has resigned as Chairman of the Procurement Committee, as well as Deanna Liskey and Marie Bradley. We would like to thank all of them for their past service. It was much appreciated.

We are now looking for a new Chairman and committee members. It is the job of this committee to:

- To research and evaluate the ideal venue for Nationals by a competitive bidding process
- To meet the best possible needs of the CSPCA
- Promote fair and open competition for Nationals while minimizing risk

If you are very versed in contracts, bidding processes and Excel spreadsheets, this may be the job for you. Send a short description of your qualifications and experience to the CSPCA Secretary, Savanna Skinner at [savvyskye@outlook.com](mailto:savvyskye@outlook.com) if you would be interested in this position.

~~~~~

## **Volunteers for the Futurity/Maturity Committee**

We would like to thank Jocelyn Barker, Georgette Schaefer and Kay Rosenberger for their long-time service in the Futurity/Maturity Committee. They are resigning after the 2025 National Specialty, but will stay on to help train anyone that gets appointed to take their places. The new committee appointees will be responsible for running the committee after that.

The Committee consists of three distinct jobs, which may or may not necessitate three individuals:

- Chairman, responsible for all aspects of the Futurity/Maturity
- Registrar, responsible for all paperwork and record keeping of the Futurity/Maturity
- Treasurer, responsible for the financial records and payout of the Futurity/Maturity

If you would like to be considered for any of these positions, please send a notice to the CSPCA Secretary, Savanna Skinner- [savvyskye@outlook.com](mailto:savvyskye@outlook.com)

**Do you know of a club member that is seriously ill, has had surgery, lost a family member? If you know of someone in our club that needs a Get Well or Sympathy card, please let our Sunshine Committee Chairman know:**  
**Lisa Porter - [feliceporter@bellsouth.net](mailto:feliceporter@bellsouth.net)**

Dear Members,

We are in desperate need of people to get site bids for our 2026 National. We are open to both hotel sites as well as event locations with close hotels. We are now asking for 250-300 room nights for the entire Nationals stay instead of the 400 that is listed in the RFP (as 70 rooms a night

is simply no longer achievable). If you have a site or hotel that you would like considered, please either use the RFP spreadsheet in the Members Only area of the website to help with getting a bid from them or you can send the information to the board/procurement committee. We are currently updating the RFP to our new reduced specifications. We need a ring space of at least 6,500 square feet. I can be contacted at [SavvySkye@outlook.com](mailto:SavvySkye@outlook.com) if you have any questions.

Savanna Skinner,  
CSPCA Secretary

### LONGEVITY PROGRAM REMINDER

Longevity

We want to remind you about the Longevity Program. It is to recognize our Shar-Pei who have lived at least 10 years. As soon as a Shar-Pei turns 10, it becomes eligible. The list of dogs registered can be seen on the CSPCA website: [www.cspca.com](http://www.cspca.com). You can participate by clicking on this link: <https://cspca.com/longevity/> If you click on dog's name, breeder or owner, you will get a list of the dogs that are already in the program. I cordially invite members to fill out the application and mail the information to me, so that your dog's name can be added to this distinguished list. You will also receive a Longevity Certificate suitable for framing.

If your dog is already on the list, but is now deceased, please advise me of the date of death, so that I can make the necessary changes to the certificate number reflecting the number of months he/she lived. The "L" at the end of the Certificate # indicates the dog is living. The "D" at the end of the Certificate # indicates that the dog is deceased.

I look forward to hearing from you and having the opportunity to share the long life of your dog.

Lynn Olds [lavaknls@hughes.net](mailto:lavaknls@hughes.net)
