HELP NEEDED FOR SET-UP AND BREAKDOWN

"Teamwork divides the task and multiplies the success."

It takes many hands to get everything ready before Nationals starts. We could certainly use all willing hands to set up the show rooms and the crating area at Nationals on Sunday afternoon, October 11. The more hands we have, the faster the work goes. Won't you volunteer your time and spend time getting to know some new people. This is a quick way that you can give back to the club. Don't forget- "Teamwork divides the task and multiplies the success." And guess what, helpers would also be appreciated on Friday, after the show is over as well. We will need lots of help packing up all the stuff from Nationals. Thanks in advance for any help you can give. If you can help, please let Donna Jourdan know- donnajourdan0@gmail.com

PHOTOGRAPHERS AT NATIONALS

If you take candid photos at Nationals, please consider sharing them with The Barker magazine so we can include them in the Nationals issue. Please send all photos to Paula Perry at Paulapei@yahoo.com.

If anyone is live streaming from Nationals, we would love you to post where to find the video on our Nationals Facebook page or post it to that page. The people that can't make it to Nationals love to see the events and really appreciate anyone that is willing to share their live streams.

ONE RINGY DINGY

If you have changed your phone number, moved and have a new address, got a new email address, please let your Membership Secretary know so we can make sure you get your Barkers, newsletters and Notices in a timely fashion. Membership Secretary- Bob Calltharp- bob@cspca.com

WIN PHOTO REMINDER

During Nationals, if you win your class or a higher ranking, please remember to get a photo of your win. The photographer gives The Barker magazine a copy of all win photos so all the winners can be represented in the Nationals issue of the magazine. If you do not get a photo taken, there is nothing for us to show for your win. The only option we have is to place a blank box by your win listing. We had much rather have your photo rather than a blank box. So don't forget to get those photos!

All Committee Chairmen are required to file an annual report about what their committee has been doing during the last year. These reports are published in The Barker and at the General Meeting in October. All that is needed is a few short sentences about the work being done in your committee. If there is nothing new to report, send a short statement stating that.

If you missed the deadline, we still need the report from your committee. Please send all reports to the CSPCA Secretary, Savanna Skinner at [savvyskye@outlook.com](mailto:savvyskye@outlook.com). Thank you in advance for your service and report.

BARK BACK

This column is your chance to let us know what you think. It can basically be about anything Shar-Pei or Club related. This column will take up no more than one page in each issue and we hope to have multiple people contributing, so try to keep it short.

For example: If you have comments on a previous article - agree or disagree - let us know, but keep it positive. Nothing derogatory or mean spirited will be printed. We look forward to hearing your thoughts - Keep them short and sweet.

Send all comments to Paula Perry at: paulapei@yahoo.com

## NOTICE TO OUR CANADIAN AND FOREIGN MEMBERS

### FUTURITY-MATURITY ANNOUNCEMENT

The CSPCA website was not available to anyone outside of the United States for a period of time during the first week of September. For that reason, those outside of the country that wanted to enter the Futurity/Maturity program were not able to do so. The problem has been corrected and the website is available for all to see now.

Due to the fact that the website was not accessible to our members outside of the United States, the Futurity-Maturity committee is giving a grace period to all foreigners to register for these programs. If your nominations were due the first week of September, you will have until September 15th now to make your nominations.

Savana Skinner, Futurity-Maturity Chairman

## Longevity Program Reminder

We want to remind you about the Longevity Program. It is to recognize our Shar-Pei who have lived at least 10 years. As soon as a Shar-Pei turns 10, it becomes eligible. The list of dogs registered can be seen on the CSPCA website: [www.cspca.com](http://www.cspca.com). You can participate by clicking on the Chinese Shar-Pei button, the Health Information, and finally Longevity Program, and a pop up menu gives you access to the application and information about the program. If you click on dog's name, breeder or owner, you will get a list of the dogs that are already in the program. I cordially invite members to fill out the application and mail the information to me, so that your dog's name can be added to this distinguished list. You will also receive a Longevity Certificate suitable for framing.

If your dog is already on the list, but is now deceased, please advise me of the date of death, so that I can make the necessary changes to the certificate number reflecting the number of months he/she lived. The "L" at the end of the Certificate # indicates the dog is living. The "D" at the end of the Certificate # indicates that the dog is deceased.

You can find all the information about the Longevity Program at this link:

<https://cspca.com/longevity/>

Also on that page is the link to the names of the dogs that have been registered in the Longevity Program to date. They are listed by name or certificate number.

I look forward to hearing from you and having the opportunity to share the long life of your dog.

Lynn Olds - [lavaknls@hughes.net](mailto:lavaknls@hughes.net)

## FOREVER HOMES NEEDED

The CSPCA and its members sincerely appreciate the work provided by these fine affiliated rescue groups. Contact a wonderful volunteer at the email listed below for additional information. Make a web visit! While you are there consider making a donation to help these beautiful Shar-Pei!

**My name is TULSI.** I am is a sweet female Shar-Pei, about two years old. I recently arrived and am busy exploring my foster home. I am doing really well and am so interested in what everybody is doing. Foster Mommy is working with me on recall and I am doing pretty well with that...once I figure out it's me you are calling! It's just a few days learning and less than week with my new name, so I know I'll get it. I have the run of the huge yard & basement when my Foster Mommy is with me. I do prefer to be inside even if Foster Mommy is outside paying attention to me, after about 15 minutes, I'm ready to go back inside. For more information contact **SHAR-PEI RESCUE OF VIRGINIA**
